Activities realizing <u>patient participation</u> (Yes/No)	Yes

Mission/Objectives: English translation/summary of the aims of the organisation as mentioned in the statutes (max 250 words)

EUTIMIA – Aliança Europeia Contra a Depressão em Portugal (EAAD) has the mission to develop strategies for integrated, multidimensional prevention of depression and suicidal behavior, seeking greater mental wellbeing of the population and the reduction of mortality from suicide, through the translation of knowledge and attitudes, on multiple levels, and the creation of social and inter-institutional networks with synergistic effects.

As such, EUTIMIA has the purpose: to contribute and promote to the realization of the dignity of all through respect, effective implementation and guarantee of human rights, as defined in the Universal Declaration of Human Rights; to promote and serve the public and social interest of the people in the fight against depression and suicide in Portugal and abroad, notably in portuguese-speaking countries and promote social accountability of operators and socio-economic actors.

An invoice for the yearly membership fee (125 €/150 €⁽¹⁾ in 2012) will be send after acceptance of your membership by the membership committee.

¹ 125 € if paid before April 1st, 150 € if paid after April 1st.

GAMIAN Europe Full Membership Application Form

All organisations or persons, being personally or professionally involved in the field of Mental Health can become member of GAMIAN-Europe.

- To encourage and promote information, education and awareness on current knowledge of the treatment and support available to those affected by mental illness having regard to the latest evidence based material.
- To support and engage in research projects pertaining to mental illness and the dissemination of the results of such research.
- To offer assistance to member organisations when required and develop support and training mechanisms for their members.
- Regarding decision makers it is extremely important to fall back on a real societal support. The same goes for fundraising.

Criteria for full membership are defined in Article 6 of the statutes⁽²⁾:

Any non-profit body or non-profit organization, concerned with or engaged in support of patients with mental illness and those who care for them, having patient representation on its board and having activities realizing patient participation shall be eligible for full membership provided they are resident or based in Europe.(WHO definition)

Advantages of full membership:

- information on all GAMIAN-Europe activities, Flash news (10 x year);
- voting right on the general assembly;
- invitation for the annual convention (free accommodation -3 nights- and reimbursement of travel expenses up to 400 €);
- possibility to participate at Regional Seminars for the full members of the concerned region;
- active Involvement in GAMIAN-Europe projects (Stigma survey, Physical and Mental Health Survey, etc...);
- participation (eligibility) at GAMIAN-Europe Good Practices Award.

⁽²⁾ Full statutes of GAMIAN-Europe can be consulted in www.gamian.eu.
